During this weeklong online retreat we will explore a relaxed open awareness with an emphasis on exploring qualities of mind, and the attitude towards one's experience. Such an open awareness practice supports both the formal meditation of sitting and walking, as well as awareness of our normal daily activities. The emphasis for this week will be exploring integrating awareness into our whole day and all activities.

This event requires registration. After registration, you will receive the Zoom link information. To register: Register here. For questions, contact Yosh Haggerty at yosh@insightretreatcenter.org
